

# WOMEN'S VOICES NOW

## WHY WE NEED YOUR HELP

### 2020/21 FILM FESTIVAL

#### WHAT IS IT ABOUT?

The Women's Voices Now Film Festival promotes women and femme-identifying filmmakers using social-change films to advocate for women's and girls' rights around the world.

#### WHY WE NEED YOUR HELP:

Next March, on top of awarding cash prizes and providing visibility, we are working hard to create a platform for our filmmakers to connect and collaborate, and through which we could share additional opportunities. We need resources to develop these tools and strengthen our impact.

## GIRLS' VOICES NOW

#### WHAT IS IT ABOUT?

Our Girls' Voices Now program empowers girls and femme-identifying youth from low-income and untapped communities to find, develop, and use their voice for positive social change through filmmaking.

#### WHY WE NEED YOUR HELP:

In the same spirit of furthering our long-term impact for all our Girls' Voices Now participants, our team is working to develop partnerships and pipelines to keep developing alumnae's personal, academic and professional development. This groundwork takes time and requires resources.

## VOICES FOR CHANGE

#### VOICES FOR CHANGE

*A FILM COLLECTION  
ADVOCATING WOMEN'S RIGHTS*

#### WHAT IS IT ABOUT?

Our free film collection raises awareness of the struggles and triumphs of women and girls around the globe, inviting audience members to contribute to positive social change.

#### WHY WE NEED YOUR HELP:

Our goal is to get large numbers of online viewers and on-the-ground audience members all around the world to watch these films and use them to start conversations around women's rights and gender equality. Our team needs funding to build relationships and optimize our website.
